BONUS POINT SYSTEM

- The bonus point system is voluntary, you must indicate on your application whether or not you are participating.
- For those who choose to participate an extra fee of \$2.00 is required. This fee is per application, not per species.
- If you choose to participate in the bonus point system, your name will be placed in the drawing an additional time for each bonus point that you have previously accumulated, and if you are unsuccessful, you will be awarded one additional bonus point for future drawings.
- If you choose not to participate in the bonus point system, your application will still go into the drawing one time, however, any accumulated points will not be used to increase your odds and you will not earn a bonus point if you are unsuccessful.
- Bonus points are accumulated separately for each individual species.
- If you wish to use previously accumulated bonus points you must check the box “YES”, and include the additional \$2 bonus point fee.
- If you are successful in drawing a license and participated in the bonus point system, you will then lose accumulated bonus points for that species.
- You may skip two consecutive years of participation without forfeiting accumulated points, but if you skip a third consecutive year or have errors that eliminate you from the drawing the third consecutive year, your accumulated points will be lost. Rejection of an application because of an application error, including applying for an invalid district is equivalent to failure to apply.
- Bonus points are nontransferable.
- FWP will contact you each year to report your accumulated points. It is your responsibility to report any discrepancies.

DRAWING CONDUCTED IN JUNE - RESULTS OUT BY THE END OF 3RD WEEK. YOUR LICENSE AND/OR REFUND WILL BE MAILED TO THE ADDRESS ON THE APPLICATION. NO NOTIFICATION IS SENT IF UNSUCCESSFUL.
